

Due 07-01-2020 @5:00 pm

Background

- Students will receive the initial email with the evaluation link on June 15, 2020.
 - **The evaluation link will remain active through 07/01/2020 at 5:00 pm.**
- Reminders will be sent out on to those students who have not completed their evaluation.
 - Students will not receive any data on your scores/comments until after grades post.
- Instructors will not receive any data on your scores/comments until after grades post.
- When a student completes the evaluation, they will receive a confirmation email of their submission, noting the course number, section number, and name of the instructor evaluated.

Submission Instructions:

Upload a course overview essay which is:

At least 300 words describing:

- 1) what you have learned from the class?
- 2) what worked for you and why?
- 3) what did not work for you?
- 4) what did you expect from the class and did not happen?

This grading item is not anonymous

You can submit both extra credit assignments: this assignment: "Course overview essay." or the second extra credit assignment: "Screenshot of instructor evaluation email confirmation." **But you will get extra credit only for one of the two submissions.**
